- Entry fees (ie. marathon) + passes (ie. ski, golf)

Financial

- Student loan reimbursement
- Home purchase expense reimbursement
- Financial advisor + planning services
- Financial seminars + classes
- Identity theft services
- Pet insurance premiums

Emotional/Other

- Non-medical counseling services
- Retreats (i.e. leadership, spiritual)
- Camping supplies
- Meditation + personal development classes (i.e. art, cooking)
- Annual park pass, hunting, and fishing licenses

Build your custom LSA with Driven125

Easily offer a flexible, customizable lifestyle spending account your clients want AND simplify the participant experience, while easily managing your entire offering in one place.

Easily create and offer an LSA

› Build an LSA that works best for you (and your clients).

No matter how you want to set up your lifestyle spending account (from the categories you want to cover, your merchant networks, flexible reimbursement options, to whether or not you require substantiation), you can create a custom LSA that makes sense for you.

› Stack your LSA on the debit card with other health +

Keep your participant experience simple by easily stacking the LSA onto the same benefits card they already are using for their health + commuter accounts.

› Get help from experts along the way.

Need guidance on what options would work best for your market? Or insight into how lifestyle spending accounts can be customized? We're here to help.

Simplify the LSA experience for your participants

› ONE debit card for all benefits accounts.

No matter what accounts a participant enrolls in (HSA, FSA, LSA, HRA, commuter benefits, or a combination), they only need ONE debit card because our technology can pull from the right account (at the right percentage) based on their purchase. Plus, participants can even add their debit card to their mobile wallet to take advantage of contactless payment options.

*Varies by LSA

› ONE online account to access health and commuter benefits.

No more jumping from screen to screen (and having to remember multiple logins) to keep track of multiple benefit accounts. With Driven125, participants only need one online account to manage their health

› ONE mobile app to access their benefits on-the-go.

We manage almost all aspects of our lives from the palms of our hands. The Driven125 benefits mobile app was built with that in mind, and includes a consistent, simple, and modern experience. And when you're using a desktop, you can expect the same user-friendly experience..
